

SSBS SNOWBOARD EDUCATION

Your first step in the SSBS education
 With the Rookie Coach course, you start your education as a ski instructor – simple and easy to understand.

In Level 2, you learn everything for intermediate lessons.
 You deepen your technique and methodology and learn how to give intermediate lessons safely and professionally.

Teaching at the highest level as an SSBS Instructor
 After completing your SSBS Instructor qualification, you can continue your education to become an Instructor with RiskG certification or pursue further education as a trainer or school director.
